Lt. Manning is Reported Killed In China Area

Son of E. T. Manning, Salem Was Lost in Action January 6

Their many friends in the Salem and Antioch communities are extending to Mr. and Mrs. E. T. ("Pat") Manning, Salem, their sympathy in the death of their son, Lt. Thomas E. Manning, 23, who was killed in action in the India-China-Burma theater of action Jan. 6.

Word of the death of Lt. Manning was received by his parents Jan. 21 from J. A. Ullio of the Adjutant General's office in Washington, D. C. Lt. Manning was based in Chentu, China. He had entered the service in March, 1942, and received training at Kelley, Garner and Randolph fields, Tex., before graduating from Moore field, Tex., in May 1943.

From June to November in 1943 he was stationed in the Panama Canal zone and was home on furlough from Nov. 11 to 21, 1943.

Received Medals Since then he has been in North Africa, Sicily, Italy, India and China. Word was received here last November that Lt. Manning, who was a member of a fighter squadron in the army air corps, had been awarded the Air medal and the Distinguished Flying cross, and had been promoted to first lieutenant.

A graduate of Antioch Township High school, he was well known in this vicinity.

Surviving, in addition to his parents, are two brothers, Robert, in Texas and James, at home, and a sister, Mrs. Emerald Schultz, Salem.

Crop Production Suggestions are Given at Meeting

That another year of all-out crop production is the 1945 goal for Illinois was stressed Wednesday at an extension school meeting in Grayslake by J. C. Hackleman, crops extension specialist of the University of Illinois College of Agriculture, Farm Advisor Ray T. Nicholas presided at the meeting, which was attended by about 50 farmers.

Hackleman indicated that only minor adjustments in acreages will be required in order to meet the 1945 production goals asked by the War Food Administration. The problem will be how to make production as efficient as possible.

Production problems concerned with growing corn, wheat, oats, soybeans, alfalfa, and clover were among the phases which were discussed by the extension specialist.

Seven suggestions were offered to obtain the best corn production: Put corn on clover or alfalfa sod if possible. Spread barnyard manure on legume seedings or ahead of corn. Prepare the best possible seedbed, but do not work the ground when it is too wet. Use adapted, high-yield hybrid seed. Delay planting five to ten days beyond the usual time in order to avoid heaviest damage from the first-brood corn borers and from clover rootworms. Where corn follows a good legume sod and where a good supply of organic matter and nitrogen is assured, apply phosphate or phosphate potash fertilizers in amounts indicated by the soil tests as needed. Cultivate corn to control weeds but don't cultivate so deep as the prune off the roots.

Hackleman also discussed the newer varieties of soybeans, small grains, clovers and alfalfa and pointed out their relative values for this county.

Millgate Farms To Hold Public Auction Jan. 29

Millgate Farms, Wadsworth, will stage their first public auction of choice Hampshire gilts and sows Monday night, Jan. 29. Millgate, which began specializing in prize Hampshires and Shorthorn cattle five years ago, is owned by George W. Rossetter, Chicago, and his sons, Lt. George M. Rossetter and Pvt. William A. Rossetter, both now serving with the army.

Those who attend the Millgate sale will be guests at a light supper prior to the auction.

They will also be invited to inspect Millgate's prize Shorthorn herd, including the herd sire, Edellyn Royal Leader VIII, top bull in the 1944 sale at Edellyn Farms.

KOPPEN'S 688 IS TOP LEAGUE SCORE IN LOCAL BOWLING

The highest score rolled this year in league competition in the Antioch Recreation Bowling alleys, 688, was marked up by Lou Koppen for Hans and Mabel's team of the Tavern league Monday evening. Lou marked up, successively, 210, 246 and 232.

Sunday afternoon at 5 o'clock ladies' teams from Smith's Slide Inn and Mundelein will bowl a match game.

Results of the past week included the following:

Tavern league, Monday, Jan. 22—Bud's, 2, Carl's, Loon Lake, 1; Pagels, 0, Recreation, 3; Club Villa, 1, Anderson's, 2; Hans and Mabel's, 2, State Line, 1; Pikeville, 2, Nielsen's, 1; Haling's, 1, Thompson's, 2.

Major league, Friday, Jan. 19—Bussie's Bar, 2, Lumber, 1; Arnie's Roundup, 2, Nielsen's, 1; Recreation 0, Thompson's, 3. Al Fisher of the Lumber team held honors for the Majors with 602.

Business league, Thursday, Jan. 18—Keulman's, 2, Salem Old Timers, 1; Carey Electric, 0, Pickard, 3; Anderson's Radio, 2, Antioch Milling Co., 1; Harrell's Grocery, 3, Regal China, 0; Lion's Club, 0, Dr. Hays, 3; Friedle, 0, Johnson's Resort, 3.

News of the Boys in Service

—V—

Pvt. Donald Lash, somewhere in Belgium, is a man of few words, most of which he can't say anyway, without making the censors mad at him—

"It isn't so bad here. The food is good, but the weather is pretty cold."

"I haven't seen any boys from Antioch yet, but am looking all around for them. Oh, yes, tell them all I wish them all a Merry Christmas, even though I'm a little late. Also tell Missouri Cunningham not to work too hard. Tell the fellows at the Antioch Mill to write once in a while, so I will know what's happening in town."

"Are there any boys from Antioch in Belgium?"

"It is pretty darn hard to write over here. I can't think of anything to say. And what you want to say, you can't, so I'm in a bad way. Will close now, and hope to see everyone soon."

—V—

Seems the News gets around, too, according to Cpl. Jerome H. Sorenson—

"It's thirty months since I wrote to you from Oahu, Hawaii, and am sincerely ashamed to have not written again sooner. However, your grand paper has not failed ever to reach me as I have moved from time to time, and its news has always been a great morale builder. Here in the Marianas, news is scarce, and just today I received two issues of the Antioch News, so I'm in for a feast. It's quite hot here during the daytime, but the nights are amazingly cold. Skeeters, ants, flies and coconuts come by the thousands, but become more commonplace each day. Sure wish I could send some pictures, but taking them is officially taboo."

—V—

ROBERT L. PERRY TO GRADUATE AT DOW FIELD Pvt. Robert L. Perry, son of Leslie Perry, Route 2, Kenosha, will soon graduate from the special airplane and engine mechanics technical training school at Dow field, large Air Transport command base at Bangor, Me.

Pvt. Perry, together with other selected trainees for this six months' "on the job training," is working hard mastering the intricacies of aircraft mechanics. Upon completing the course, he will receive a diploma which will place him among the men "keep 'em flying," the air mechanics.

Since joining the army in November, 1943, Pvt. Perry has taken his basic training at Jefferson Barracks, Mo., and was stationed at Grenier field, N. H., before being transferred to Dow field.

In civilian life he was employed as a lathe operator by the Johns-Manville corporation in Waukegan.

—V—

JOSEPH J. PACHAY IS PROMOTED TO SERGEANT Cpl. Joseph J. Pachay, son of Mrs. Carolina Pachay of Antioch, was recently promoted to the rank of Sergeant.

Sgt. Pachay is stationed at the Charleston Army Air field, Charleston, S. C., which is one of the largest Liberator bomber training fields in the country.

—V—

Cpl. and Mrs. Earl H. Brixen arrived in Antioch Sunday morning for a 15-day visit with relatives here. They have been making their home

(Continued on Page 8)

Body of Slain Kenosha Man Is Discovered Here

Floyd Ventura, Victim of Shooting, Found in Car Near State Line

Floyd Ventura, 30, of Kenosha, Wis., was found dead in a coupe parked at the intersection of State Line road and Deep Lake road early Wednesday morning by Fred Scott, Antioch township, as he was hauling milk from his place to a dairy in Antioch.

Scott put in a summons for the Antioch Rescue squad, which received the call at 8:45 a. m., and on arriving at the scene discovered that Ventura had probably been dead for several hours.

The Lake county sheriff's department was notified and the body was later removed to the Strang Funeral home, where an inquest was conducted this afternoon under the charge of a jury sworn in last evening by Lake County Coroner Garfield R. Leaf.

Operated Esquire Grill Ventura, who lived at 2016 Fifty-seventh street and operated the Esquire grill at 5721 Sixth avenue, Kenosha, had been shot through the head.

Chief Deputy Thomas Kennedy and Deputy Stanley Christian, who answered the call sent in by Capt. Herman Holbek of the Rescue squad, found his body behind the steering wheel in the driver's seat of the car. He had apparently been shot at close range, with the bullet entering the right temple and emerging behind the left ear. A slug was located in the car, but the gun was not found.

The right front seat of the green Buick coupe was pushed forward, and tracks were found leading from the right side of the car around onto the roadway. The spot in which the car was found is isolated, and it had attracted no attention until Scott investigated.

Ventura was indicted Mar. 20, 1943, on three charges of violating the federal internal revenue codes, and served a sentence in a federal prison. Last August he was charged with selling liquor to minors and paid a \$250 fine on that charge in October.

Robbery was discounted as a motive in the slaying, as when found he had \$206 in cash and a large diamond ring on his person.

Mrs. Eliza Sayles, Life-Long Richmond Resident, Passes Away

Eliza Margaret Sayles, mother of Miss Mabel Sayles, who has for many years been a linotype operator for the Antioch News, passed away last evening in her farm home two miles south east of Richmond.

While arrangements for funeral services have not as yet been completed, it is believed that they will be held Saturday afternoon at 2 o'clock in the Ehorn Funeral home, Richmond, with the Rev. Francis Kranz, pastor of the Richmond Community church, officiating. Burial will be in Richmond cemetery.

Mrs. Sayles, who was approaching her eight-seventh year of age, was a native of the Solon Mills and Richmond region. Her maiden name was Eliza Margaret Jackson.

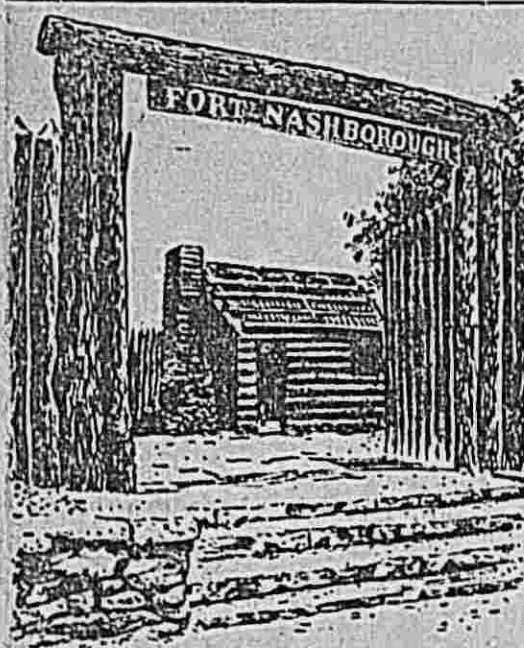

In 1871 she was united in marriage with Washington Sayles, also a pioneer McHenry county resident, who preceded her in death Oct. 11, 1942, at the age of 94. After their marriage they moved to the farm homestead on what is known as Fifteen Hill, and were lifetime residents of that area.

Survivors include another daughter, Mrs. Gus Gratton; two sons, Frank, of Racine, Wis., and Orrie, at home, and a number of grandchildren and great-grandchildren.

Mrs. Sayles was a woman of keen intelligence and retained her alertness and her interest in the affairs of the day until the very last. She had for some time been in failing health, but endeavored until her last days to aid with the work about the house, and greatly enjoyed the radio and the visits of her friends.

The principal of Antioch Township High school, T. R. Birkhead, and members of the school board, including Walter K. Hills, president; Mrs. Helen Osmond, secretary; Walter I. Scott and Arthur E. Bennett, represented the school at a meeting of the Tri-County division of the Illinois Educational association, Wednesday afternoon and evening in the Morrison hotel, Chicago. Between 600 and 800 representatives of schools in Lake, Cook and DuPage counties attended.

Bonds Over America

FORT NASHBOROUGH

The guns had scarcely grown cold after the Revolutionary War when James Robertson and a party of sturdy pioneers started west across the Blue Ridge Mountains through virgin woodland. Indians threatened to wreck their plans. In the vicinity of modern Nashville, Tenn., they realized a strong barricade around their homes was necessary. Thus Fort Nashborough arose in 1780. Reconstructed, the Fort stands as a monument to another area's indubitable will to win, to live and work free men. Descendants of those pioneers, are today fighting for the preservation of liberty. War Bond purchases will keep them supplied with the accoutrements of victory.

U. S. Treasury Department

"Brown-Out" of Display Signs to Start February 1

February 1 is the date set for compliance with the War Production board's new mandatory order forbidding certain uses of electricity to conserve fuel on a nation-wide basis.

The Public Service company of Northern Illinois has since Jan. 15 been notifying its commercial and industrial electric customers to arrange for a "brown-out" of their outdoor advertising, display and ornamental lighting.

The order affects the use of electricity for outdoor display lighting except where necessary for conducting outdoor business establishments; outdoor decorative and ornamental lighting; show window lighting, except where necessary for interior illumination; marquee lighting in excess of 60 watts for each marquee; white way street lighting in excess of the amount determined by local public authority to be necessary for public safety.

Also affected will be outdoor sign lighting except for directional and identification signs required for police and fire protection, traffic control, transportation terminals or hospitals; or directional or identification signs for any similar essential public services, the lighting of which is specifically certified to be necessary by local public authority, also directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels and other public lodging establishments.

Local Residents, Visitors Throng to Firemen's Dance

Many surrounding areas, as well as Antioch, were represented in the capacity crowd of several hundred persons that attended the free dance sponsored by the Antioch fire department Saturday evening in the new Sheahan Implement company building on Depot street.

Dancing to the music of Bessie Barnes' orchestra was enjoyed during the evening.

Refreshments were served, and there were a number of special entertainment features.

Semester Exams Are Held at High School

Semester examinations are being held at Antioch Township High school this Thursday and Friday, and the new semester will start Monday.

Classes customarily held during the first four periods of the school day are having their examinations today from 9 a. m. to 1 p. m.

Classes meeting during the second four periods have their examinations tomorrow from 9 a. m. to 1 o'clock in the afternoon.

Mr. and Mrs. Gust Carlson and Mr. and Mrs. F. H. Sommer visited friends at Indian Point recently.

Service Clubs' Value Told by John L. Boyles

The value of service clubs to their members and their communities was discussed by Attorney John Logan Boyles at a dinner meeting in St. Ignatius' Guild hall Monday evening.

Boyles, who has been active in such organizations as the Lions, Rotary and Y. M. C. A. over a period of many years, also traced the history of the development of such clubs.

A baked ham dinner was served by members of St. Ignatius' guild.

Feb. 26 was set as the date for the annual dinner for high school athletes.

Petition Urges Consolidation of School Districts

Would Join Bean Hill and Antioch In One School Dist.

A petition calling for an election for the purpose of voting on consolidation of Antioch Grade School District No. 34 and being circulated among taxpayers of the two districts, and is already meeting with considerable support.

During the past two years the Bean Hill schoolhouse has been closed and the children from that district have been attending school in Antioch.

Completion of the petition will call for an election to be held by residents of the districts at a later date.

Would Be Second One If adopted this will be the second consolidation within recent years. A previous one effected the joining of the eastern part of the Channel Lake school district with Antioch Grade school district.

Transportation for out-of-town pupils is furnished by school bus.

Consolidation of the Bean Hill and Antioch districts would, it is anticipated, have the approval of the Illinois state educational officials, and would be in line with suggestions offered as the result of a recent survey of Lake county public educational institutions.

Farmers Attend Livestock Class Held at Grayslake

Production Goals for 1945 Discussed at Meeting Attended by 50

Problems facing the hog grower and beef cattle producer were discussed at an extension school held at Grayslake Wednesday by H. G. Russell, livestock extension specialist of the University of Illinois College of Agriculture. About 50 Lake county farmers attended the meeting, which was presided over by Farm Advisor Ray T. Nicholas.

Production goals for 1945 were indicated to be about the same as the estimated 1944 production figures. For the state a three percent reduction of sows to farrow in the spring was asked by the War Food Administration, while two percent less numbers of all cattle and calves on farms was suggested.

"Sanitation will be basic to efficient pork production in 1945, as it is every year. There is no substitute for it," Russell declared. "Clean farrowing houses, the washing of sows before they are placed in the farrowing pens, keeping sows and little pigs off contaminated lots and leaving fattening pigs on clean ground until they are at least four months old—all must be included if a sanitation program is to be effective. Added to this must be good housing; and good feeding."

A record corn crop, together with substantially fewer hogs and chickens and a reduction in lamb feeding, provides considerable more feed for the fattening of beef cattle than has been available for at least two years, Russell reported. He indicated it might be desirable to market the best grades of feeder cattle with a somewhat less than normal finish if satisfactory margins can be realized.

Lake Villa Woman to Share in Large Estate

Mrs. Miriam Prindle, who resides at Lake Villa, is one of the principal heirs to the estimated \$190,000 estate of her father, the late Emil B. Nietzel, who died in Evanston Jan. 9 and whose will has been admitted to probate in Chicago. Mrs. Prindle and her husband have left the large Nietzel farm at Lake Villa, and she also is to receive a half interest in the residue of the estate, which is to be held in trust for several years.

Mrs. Tina Johnston Dies at Lake Marie

The body of Mrs. Tina Johnston, 69, who died suddenly Tuesday afternoon in the home of a daughter, Mrs. Edmund Fure, Cobb's Camp, Lake Marie, is being sent this evening from the Strang Funeral home to Junction City, Wis., where services will be held tomorrow.

POLK HOUSES

Columbia, Tenn., prizes its two Polk homes. It goes all-out in War Bond selling so that nothing may mar them. Samuel Polk's house, a two-story brick building with spacious rooms and French windows opening on to quaint balconies, was built in 1816. Next door is an almost duplicate home which Mr. Polk built for his daughter. The residence of James K. Polk, son, eleventh President of the United States, is a short distance away. The house where he entertained Andrew Jackson and Martin Van Buren during the campaign of 1844, when he was elected, is also of two stories and was erected in 1820. Relics of the budding years of this Nation that must endure, these homes inspire the purchase of War Bonds.

The Observer

"What's in a name?" quoth Shakespeare — and would he be surprised!

Evanston, Ill., Jan. (Special)—Churchill, Stalin and Eden will meet at Northwestern university, but without President Roosevelt, sometime during the next few weeks.

Not the world-famous statesmen, of course. But coeds bearing these names who have just registered at the university for the second quarter now beginning.

Other students with famous names who will be meeting on campus paths are Patton, Stilwell and Dewey, not to mention Goering, Hess and three Kaisers!

Among names famous from Hollywood to the African jungles are Virginia Bruce, Frank Buck and Robert Burns. There is no Sinatra to charm the coeds, but there is a Crosby, Caruso, Wagner and Bach.

There's a Love, but also a Loveless. And two Toots and a Yonk, and a Peck and a Waack. Peez, Took, Somers, Sudar sound like baby talk, but they're students, too, as are Luney and Batty.

Students with presidents' names are Hoover, Harding, Wilson, Taft, Harrison, Grant, Jackson, Buchanan, Pierce and Adams. Names that go together are Long and Longest, Stout and Rotunda, Sweet and Low, Winter and Spring, and Black and White. Pick and Look are listed, and a Zoot but no Suit. On the geographical side are

London, England, Ireland, Holland, Poland, Spain, Portugal, French and English.

Oh yes, we almost forgot—the Johnsons lead in number with 35, the Andersons are next with 30.

European Population

More people are alive in Europe today than existed in the entire world at any one time prior to 1650. Europe's 540 million people in 1939 were the descendants of about 100 million living in Europe in the middle of the 17th century. Since 1850 the population has doubled, since 1800 it has almost tripled, and in the last three centuries it has increased more than fivefold.

Mercury Dust

A mere 10 cents' worth of organic mercury dust can protect seeds against many seedling diseases which attack vegetables of the small seeded variety such as lettuce, carrots, beets and onions. As much of the dust as will cling to the end of a toothpick will do the job if shaken vigorously into the packet of seed before planting.

Cook Immediately

Vegetables that have begun to thaw must be cooked at once and never be refrozen. Frozen vegetable cartons can be stored in the freezing unit of a mechanical refrigerator for several days, but you must be sure vegetables do not partially thaw. If this happens, the food should be cooked at once.

The Antioch News

VOLUME LIX.

FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, JANUARY 25, 1945 FIRST IN RESULTS TO ADVERTISERS

NUMBER 25

Lt. Manning is Reported Killed In China Area

Son of E. T. Manning, Salem Was Lost in Action January 6

Their many friends in the Salem and Antioch communities are extending to Mr. and Mrs. E. T. ("Pat") Manning, Salem, their sympathy in the death of their son, Lt. Thomas E. Manning, 23, who was killed in action in the India-China-Burma theater of action Jan. 6.

Word of the death of Lt. Manning was received by his parents Jan. 21 from J. A. Ullio of the Adjutant General's office in Washington, D. C.

Lt. Manning was based in Chentu, China. He had entered the service in March, 1942, and received training at Kelley, Garner and Randolph fields, Tex., before graduating from Moore field, Tex., in May 1943.

From June to November in 1943 he was stationed in the Panama Canal zone and was home on furlough from Nov. 11 to 21, 1943.

Received Medals

Since then he has been in North Africa, Sicily, Italy, India and China. Word was received here last November that Lt. Manning, who was a member of a fighter squadron in the army air corps, had been awarded the Air medal and the Distinguished Flying cross, and had been promoted to first lieutenant.

A graduate of Antioch Township High school, he was well known in this vicinity.

Surviving, in addition to his parents, are two brothers, Robert, in Texas and James, at home, and a sister, Mrs. Emerald Schultz, Salem.

Crop Production Suggestions are Given at Meeting

That another year of all-out crop production is the 1945 goal for Illinois was stressed Wednesday at an extension school meeting in Grayslake by J. C. Hackleman, crops extension specialist of the University of Illinois College of Agriculture. Farm Advisor Ray T. Nicholas presided at the meeting, which was attended by about 50 farmers.

Hackleman indicated that only minor adjustments in acreages will be required in order to meet the 1945 production goals asked by the War Food Administration. The problem will be how to make production as efficient as possible.

Production problems concerned with growing corn, wheat, oats, soybeans, alfalfa, and clover were among the phases which were discussed by the extension specialist.

Seven suggestions were offered to obtain the best corn production: Put corn on clover or alfalfa sod if possible. Spread barnyard manure on legume seedings or ahead of corn. Prepare the best possible seedbed, but do not work the ground when it is too wet. Use adapted, high-yield hybrid seed. Delay planting five to ten days beyond the usual time in order to avoid heaviest damage from the first-brood corn borers and from clover rootworms. Where corn follows a good legume sod and where a good supply of organic matter and nitrogen is assured, apply phosphate or phosphate potash fertilizers in amounts indicated by the soil tests as needed. Cultivate corn to control weeds but don't cultivate so deep as the prune off the roots.

Hackleman also discussed the newer varieties of soybeans, small grains, clovers and alfalfa and pointed out their relative values for this county.

Millgate Farms To Hold Public Auction Jan. 29

Millgate Farms, Wadsworth, will stage their first public auction of choice Hampshire gilts and sows Monday night, Jan. 29. Millgate, which began specializing in prize Hampshires and Shorthorn cattle five years ago, is owned by George W. Rossetter, Chicago, and his sons, Lt. George M. Rossetter and Pvt. William A. Rossetter, both now serving with the army.

Those who attend the Millgate sale will be guests at a light supper prior to the auction.

They will also be invited to inspect Millgate's prize Shorthorn herd, including the herd sire, Edelyn Royal Leader VIII, top bull in the 1944 sale at Edelyn Farms.

Buy War Bonds and Stamps

KOPPEN'S 688 IS TOP LEAGUE SCORE IN LOCAL BOWLING

The highest score rolled this year in league competition in the Antioch Recreation Bowling alleys, 688, was marked up by Lou Koppen for Hans and Mabel's team of the Tavern league Monday evening. Lou marked up, successively, 210, 246 and 232.

Sunday afternoon at 5 o'clock ladies' teams from Smith's Slide Inn and Mundelein will bowl a match game.

Results of the past week included the following:

Tavern league, Monday, Jan. 22—Bud's, 2, Carl's, Loon Lake, 1; Pags', 0, Recreation, 3; Club Villa, 1, Anderson's, 2; Hans and Mabel's, 2, State Line, 1; Pikeville, 2, Nielsen's, 1; Haling's, 1, Thompson's, 2.

Major league, Friday, Jan. 19—Bussie's Bar, 2, Lumber, 1; Arnie's Roundup, 2, Nielsen's, 1; Recreation 0, Thompson's, 3. Al Fisher of the Lumber team held honors for the Majors with 602.

Business league, Thursday, Jan. 18—Keulman's, 2, Salem Old Timers, 1; Carey Electric, 0, Pickard, 3; Anderson's Radio, 2, Antioch Milling Co., 1; Harrell's Grocery, 3, Regal China, 0; Lion's Club, 0, Dr. Hays, 3; Friedle, 0, Johnson's Resort, 3.

News of the Boys in Service

Pvt. Donald Lasch, somewhere in Belgium, is a man of few words, most of which he can't say anyway, without making the censors mad at him—

"It isn't so bad here. The food is good, but the weather is pretty cold. I haven't seen any boys from Antioch yet, but am looking all around for them. Oh, yes, tell them all I wish them all a Merry Christmas, even though I'm a little late. Also tell Missouri Cunningham not to work too hard. Tell the fellows at the Antioch Mill to write once in a while, so I will know what's happening in town."

"Are there any boys from Antioch in Belgium?"

"It is pretty darn hard to write over here. I can't think of anything to say. And what you want to say, you can't, so I'm in a bad way. Will close now, and hope to see everyone soon."

Seems the News gets around, too, according to Cpl. Jerome H. Sorenson—

"It's thirty months since I wrote to you from Oahu, Hawaii, and am sincerely ashamed to have not written again sooner. However, your grand paper has not failed ever to reach me as I have moved from time to time, and its news has always been a great morale builder. Here in the Marianas, news is scarce, and just today I received two issues of the Antioch News, so I'm in for a feast. It's quite hot here during the daytime, but the nights are amazingly cold. Squeeters, ants, flies and coconuts come by the thousands, but become more commonplace each day. Sure wish I could send some pictures, but taking them is officially taboo."

—V—

ROBERT L. PERRY TO GRADUATE AT DOW FIELD

Pvt. Robert L. Perry, son of Leslie Perry, Route 2, Kenosha, will soon graduate from the special airplane and engine mechanics' technical training school at Dow field, large Air Transport command base at Bangor, Me.

Pvt. Perry, together with other selected trainees for this six months' "on the job training," is working hard mastering the intricacies of aircraft mechanics. Upon completing the course, he will receive a diploma which will place him among the men "keep 'em flying," the air mechanics.

Since joining the army in November, 1943, Pvt. Perry has taken his basic training at Jefferson Barracks, Mo., and was stationed at Grenier field, N. H., before being transferred to Dow field.

In civilian life he was employed as a lathe operator by the Johns-Manville corporation in Waukegan.

—V—

JOSEPH J. PACHAY IS PROMOTED TO SERGEANT

Cpl. Joseph J. Pachay, son of Mrs. Carolina Pachay of Antioch, was recently promoted to the rank of Sergeant.

Sgt. Pachay is stationed at the Charleston Army Air field, Charleston, S. C., which is one of the largest Liberator bomber training fields in the country.

—V—

Cpl. and Mrs. Earl H. Brixen arrived in Antioch Sunday morning for a 15-day visit with relatives here. They have been making their home

(Continued on Page 8)

Body of Slain Kenosha Man Is Discovered Here

Floyd Ventura, Victim of Shooting, Found in Car Near State Line

Floyd Ventura, 30, of Kenosha, Wis., was found dead in a coupe parked at the intersection of State Line road and Deep Lake road early Wednesday morning by Fred Scott, Antioch township, as he was hauling milk from his place to a dairy in Antioch.

Scott put in a summons for the Antioch Rescue squad, which received the call at 8:45 a. m., and on arriving at the scene discovered that Ventura had probably been dead for several hours.

The Lake county sheriff's department was notified and the body was later removed to the Strang Funeral home, where an inquest was conducted this afternoon under the charge of a jury sworn in last evening by Lake County Coroner Garfield R. Leaf.

Operated Esquire Grill

Ventura, who lived at 2016 Fifty-seventh street and operated the Esquire grill at 5721 Sixth avenue, Kenosha, had been shot through the head.

Chief Deputy Thomas Kennedy and Deputy Stanley Christian, who answered the call sent in by Capt. Herman Holbek of the Rescue squad, found his body behind the steering wheel in the driver's seat of the car. He had apparently been shot at close range, with the bullet entering the right temple and emerging behind the left ear. A slug was located in the car, but the gun was not found.

The right front seat of the green Buick coupe was pushed forward, and tracks were found leading from the right side of the car around onto the roadway. The spot in which the car was found is isolated, and it had attracted no attention until Scott investigated.

Ventura was indicted Mar. 20, 1943, on three charges of violating the federal internal revenue codes, and served a sentence in a federal prison. Last August he was charged with selling liquor to minors and paid a \$250 fine on that charge in October.

Robbery was discounted as a motive in the slaying, as when found he had \$206 in cash and a large diamond ring on his person.

Mrs. Eliza Sayles, Life-Long Richmond Resident, Passes Away

Eliza Margaret Sayles, mother of Miss Mabel Sayles, who has for many years been a linotype operator for the Antioch News, passed away last evening in her farm home two miles south east of Richmond.

While arrangements for funeral services have not as yet been completed, it is believed that they will be held Saturday afternoon at 2 o'clock in the Ehorn Funeral home, Richmond, with the Rev. Francis Kranz, pastor of the Richmond Community church, officiating. Burial will be in Richmond cemetery.

Mrs. Sayles, who was approaching her eight-seventh year of age, was a native of the Solon Mills and Richmond region. Her maiden name was Eliza Margaret Jackson.

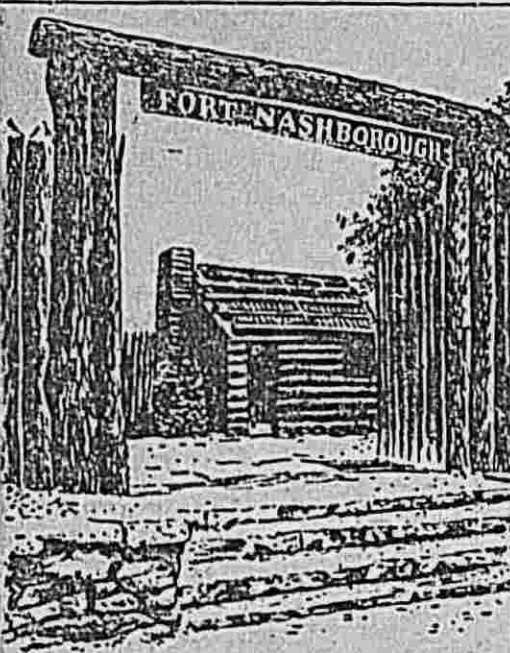

In 1871 she was united in marriage with Washington Sayles, also a pioneer McHenry county resident, who preceded her in death Oct. 11, 1942, at the age of 94. After their marriage they moved to the farm homestead on what is known as Fifteen Hill, and were lifetime residents of that area.

Survivors include another daughter, Mrs. Gus Gratton, two sons, Frank, of Racine, Wis., and Orrie, at home, and a number of grandchildren and great-grandchildren.

Mrs. Sayles was a woman of keen intelligence and retained her alertness and her interest in the affairs of the day until the very last. She had for some time been in failing health, but endeavored until her last days to aid with the work about the house, and greatly enjoyed the radio and the visits of her friends.

The principal of Antioch Township High school, T. R. Birkhead, and members of the school board, including Walter K. Hills, president; Mrs. Helen Osmond, secretary; Walter I. Scott and Arthur E. Bennett, represented the school at a meeting of the Tri-County division of the Illinois Educational association, Wednesday afternoon and evening in the Morrison hotel, Chicago. Between 600 and 800 representatives of schools in Lake, Cook and DuPage counties attended.

Bonds Over America

FORT NASHBOROUGH

The guns had scarcely grown cold after the Revolutionary War when James Robertson and a party of sturdy pioneers started west across the Blue Ridge Mountains through virgin woodland. Indians threatened to wreck their plans. In the vicinity of modern Nashville, Tenn., they realized a strong barricade around their homes was necessary. Thus Fort Nashborough arose in 1780. Reconstructed, the Fort stands as a monument to another area's indubitable will to win, to live and work free men. Descendants of those pioneers, are today fighting for the preservation of liberty. War Bond purchases will keep them supplied with the accoutrements of victory.

U. S. Treasury Department

"Brown-Out" of Display Signs to Start February 1

February 1 is the date set for compliance with the War Production board's new mandatory order forbidding certain uses of electricity to conserve fuel on a nation-wide basis.

The Public Service company of Northern Illinois has since Jan. 15 been notifying its commercial and industrial electric customers to arrange for a "brown-out" of their outdoor advertising, display and ornamental lighting.

The order affects the use of electricity for outdoor display lighting except where necessary for conducting outdoor business establishments; outdoor decorative and ornamental lighting; show window lighting, except where necessary for interior illumination; marquee lighting in excess of 60 watts for each marquee; white way street lighting in excess of the amount determined by local public authority to be necessary for public safety.

Also affected will be outdoor sign lighting except for directional and identification signs required for police and fire protection, traffic control, transportation terminals or hospitals; or directional or identification signs for any similar essential public services, the lighting of which is specifically certified to be necessary by local public authority, also directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels and other public lodging establishments.

Local Residents, Visitors Throng to Firemen's Dance

Many surrounding areas, as well as Antioch, were represented in the capacity crowd of several hundred persons that attended the free dance sponsored by the Antioch fire department Saturday evening in the new Sheahan Implement company building on Depot street.

Dancing to the music of Bessie Barnes' orchestra was enjoyed during the evening.

Refreshments were served, and there were a number of special entertainment features.

—V—

Semester Exams Are Held at High School

Semester examinations are being held at Antioch Township High school this Thursday and Friday, and the new semester will start Monday.

Classes customarily held during the first four periods of the school day are having their examinations today from 9 a. m. to 1 p. m.

Classes meeting during the second four periods have their examinations tomorrow from 9 a. m. to 1 o'clock in the afternoon.

Mr. and Mrs. Gust Carlson and Mr. and Mrs. F. H. Sommer visited friends at Indian Point recently.

Service Clubs' Value Told by John L. Boyles

The value of service clubs to their members and their communities was discussed by Attorney John Logan Boyles at a dinner meeting in St. Ignatius' Guild hall Monday evening.

Boyles, who has been active in such organizations as the Lions, Rotary and Y. M. C. A. over a period of many years, also traced the history of the development of such clubs.

A baked ham dinner was served by members of St. Ignatius' guild.

Feb. 26 was set as the date for the annual dinner for high school athletes.

Petition Urges Consolidation of School Districts

Would Join Bean Hill and Antioch in One School Dist.

A petition calling for an election for the purpose of voting on consolidation of Antioch Grade School District No. 34 and being circulated among taxpayers of the two districts, and is already meeting with considerable support.

During the past two years the Bean Hill schoolhouse has been closed and the children from that district have been attending school in Antioch.

Completion of the petition will call for an election to be held by residents of the districts at a later date. Would Be Second One

If adopted this will be the second consolidation within recent years. A previous one effected the joining of the eastern part of the Channel Lake school district with Antioch Grade school district.

Transportation for out-of-town pupils is furnished by school bus.

Consolidation of the Bean Hill and Antioch districts would, it is anticipated, have the approval of the Illinois state educational officials, and would be in line with suggestions offered as the result of a recent survey of Lake county public educational institutions.

Farmers Attend Livestock Class Held at Grayslake

Production Goals for 1945 Discussed at Meeting Attended by 50

Problems facing the hog grower and beef cattle producer were discussed at an extension school held at Grayslake Wednesday by H. G. Russell, livestock extension specialist of the University of Illinois College of Agriculture. About 50 Lake county farmers attended the meeting, which was presided over by Farm Advisor Ray T. Nicholas.

Production goals for 1945 were indicated to be about the same as the estimated 1944 production figures. For the state a three percent reduction of sows to farrow in the spring was asked by the War Food Administration, while two percent less numbers of all cattle and calves on farms was suggested.

"Sanitation will be basic to efficient pork production in 1945, as it is every year. There is no substitute for it," Russell declared. "Clean farrowing houses, the washing of sows before they are placed in the farrowing pens, keeping sows and little pigs off contaminated lots and leaving fattening pigs on clean ground until they are at least four months old—all must be included if a sanitation program is to be effective. Added to this must be good housing and good feeding."

A record corn crop, together with substantially fewer hogs and chickens and a reduction in lamb feeding, provides considerable more feed for the fattening of beef cattle than has been available for at least two years, Russell reported. He indicated it might be desirable to market the best grades of feeder cattle with a somewhat less than normal finish if satisfactory margins can be realized.

—V—

Lake Villa Woman to Share in Large Estate

Mrs. Miriam Prindle, who resides at Lake Villa, is one of the principal heirs to the estimated \$190,000 estate of her father, the late Emil B. Nietzel, who died in Evanston Jan. 9 and whose will has been admitted to probate in Chicago. Mrs. Prindle and her husband have left the large Nietzel farm at Lake Villa, and she also is to receive a half interest in the residue of the estate, which is to be held in trust for several years.

—V—

Mrs. Tina Johnston Dies at Lake Marie

The body of Mrs. Tina Johnston, 69, who died suddenly Tuesday afternoon in the home of a daughter, Mrs. Edmund Furo, Cobb's Camp, Lake Marie, is being sent this evening from the Strang Funeral home to Junction City, Wis., where services will be held tomorrow.

90 Years Of Integrity And Service

As the Millburn Mutual Insurance company enters upon its ninetieth year, we feel that felicitations of some sort are in order.

The fact that the company has operated so long, so successfully (insurance in the valuation of \$8,700,000 was carried upon its books last year) proves beyond a doubt, we believe, that there has been a distinct need for such an organization—and that the organization has faithfully met that need.

We believe that this company could not have existed successfully for nearly a century, nor could it have attained the respected position it holds, had not its functions been efficiently and faithfully discharged by its officers, and had it not received the steady, year-in-and-year-out backing of its members.

CONGRATULATIONS!!

Where "A Little" Helps

Among the many worthy causes that are each year brought to the attention of the public is the "March of Dimes" campaign for the National Foundation for Infantile Paralysis, Inc.

This campaign is now underway in Antioch, as well as in other communities all over the country.

It is one cause in which "a little helps a lot." While many campaigns ask for large contributions—this campaign asks for a small one. There are few who cannot aid it, and to each one of them will come the pleasure of knowing that their little contribution has aided someone, somewhere.

We're Betting On The Boys

We don't know, of course, if it's because the men themselves are less vocal than the rest of us, or if maybe they just aren't worrying as much—but the thought has suddenly occurred to us that the only people who don't seem to be worrying about the servicemen's read-

justment to civilian life are the service men themselves. Women's magazines, men's magazines, and, we have no doubt, kiddies' magazines, are full of articles on the subject of tactful family aid for the returning soldier, sailor, marine or aviator. Club speakers are brimming over with the same topic.

Well, maybe it's a good thing. We know it will be quite a while before a lot of the boys come back, and in the meantime, well—we can dream can't we?

The thing that gets us, though, is why the boys are so quiet about this all absorbing topic. Do you suppose they have some information that is denied the rest of us? Or that maybe they're just too busy winning about the war to worry about the rest of it?

Our guess is, that most of those boys are going to be snatched up in a hurry by former employers or would-be employers who've been lamenting their loss ever since they went into the service. Many, too, will go back to their own businesses, or into business for themselves. Most of them will have gained increased skill in their various fields, or will have learned additional skills during their absence.

We rather suspect that lots of them will be far too busy to worry about any sort of "readjustment." They'll just be in there pitching, straightening out the post war world.

The two groups who are probably doing the most worrying are those handicapped by illness or injuries acquired during the war, and those who went into the service direct from school. Even in these groups, however, we would guess that surprisingly few will find their services unwanted, and that most of them will manage to become busy and useful.

The returned servicemen who will find the going hardest, in a way, will be those released first. Already, many a returned veteran can testify to that. And it isn't for lack of a job, or of the opportunity for a job. It's because so many of the men their age—their old pals and schoolmates—are away at war, and the rest are working long hours and on odd shifts.

In the service, they had many companions of their own age and often of similar interests and similar tastes. When they are released from the service, they feel the lack, not only of the excitement (or monotony, in some cases!) to which they had become accustomed, but also of companionship.

It takes a while, too, for war-tightened nerves to "let down," but the human mechanism is marvelously adaptable, and we have little doubt that most of the men will bridge the gap between their service life and civilian life pretty successfully.

Amateur Magician's

Needle Trick Misses

BARTLESVILLE, OKLA. — Richard Yeager, 19, amateur magician, went to a hospital from the effects of sleight-of-hand tricks. While giving a demonstration of illusory "needle swallowing" Yeager became confused with his hocus-pocus. Result: Physicians were called upon to remove the steel sliver.

Risked Health in

Bold Experiment

Two Doctors Volunteered for Study of 'Bends.'

ST. LOUIS, MO.—Two doctors who voluntarily exposed themselves in the interests of science to repeated excursions into thin air at 42,000 feet simulated altitude, developed active tuberculosis of the lungs.

This tuberculosis, it was reported to the Aero Medical association, was not caught directly in the altitude experiments, but was caused by thin air reopening old, long healed tubercular spots in their lungs.

The report was made by Drs. Alvan L. Barach, Artell E. Johnson and Colter Rule of the college of physicians and surgeons, Columbia university. The doctors making the experiments were not identified. Both since have recovered.

The physicians were studying the "bends," a painful condition which often hits men at extreme altitudes and caused by nitrogen bubbles forming in the blood and tissues.

The chokes, an affliction of extremely high altitude flying, were also described to the medical association.

The chokes are coughing, something like asthma. Of themselves, they are not dangerous, but they endanger combat aviators because a choking man cannot keep on his oxygen mask.

Scientists of the college of medicine of the University of Cincinnati, which has made studies of the chokes, said they apparently are due to bubbles of nitrogen forming in the throat membranes due to aerobolism—a high altitude trouble somewhat like the deep sea "bends."

Allies Execute 16 Italian

Spies Hired by Nazis

ROME. — The Allies have executed 16 German-hired Italian spies and "many more" have been sentenced to death recently, it was revealed.

Since the beginning of June, well over 100 enemy agents have been arrested, mostly in Rome. Some of these already are on trial and other hearings are scheduled in the near future.

An Allied statement published in the Italian press warned that Allied intelligence has the names of many Italians who now are engaged in spying or who plan to help the Germans. It urged such persons to give up now.

"Those who have been executed did not give themselves up," it said. "All those who have given themselves up are still alive."

Captives Beat Up Nazi

For Writing to Father

OMAHA.—A German prisoner of war at the Scots Bluff, Neb., camp who wanted to write to his father, a resident of the United States, was severely beaten by fellow prisoners, who declared the father was "not a good Nazi," the Seventh Service command announced.

The prisoner was a member of a group captured near Cherbourg.

"Two or three of the other prisoners told him that he couldn't write his father because the father was not a good Nazi," the army said, "but the prisoner insisted on writing and was beaten so badly he was taken to the camp hospital."

789,539,390 Letters

Have Gone by V-Mail

WASHINGTON.—The army and navy postal services have transmitted 789,539,390 V-mail letters to and from members of the armed forces overseas since the system was established in mid-1942, the Office of War Information stated.

Deliveries were at peak for both services in April with the army delivering 63,638,405 V-mail letters to the navy's 56,060,703. The army has handled 689,536,939 letters since its service was established while the navy, which began operations in March, 1943, has delivered 100,002,451.

Plans are under way to establish a large V-mail station in France this fall.

Hatfield-McCoy Feud on

Again, But Against Hitler

ON THE ROAD TO PARIS.—The Hatfields and the McCoyes were feuding again recently, but not with each other as U. S. patrols reached the vicinity of Paris and the suburbs of Versailles.

They were Phillips Hatfield, Sprigg, W. Va., and Homer L. McCoy, Avondale, W. Va., who said they were kin to the original feudists.

"This time we got a mad on against Hitler and are not quarreling among ourselves," said McCoy.

WILMOT

Union Free High School—The basket ball team lost to East Troy at East Troy Friday night 21-26. The B squad from Wilmot won 16-12. The Homecoming game this Friday evening will start at the gymnasium at 7:30 P. M. Both teams from the Rochester high school will be played during the evening.

Final examinations for the first semester will be given this week.

Mr. and Mrs. Guy Loftis called on Herbert Konig at the Burlington Memorial hospital Sunday.

Mrs. George Higgins returned Friday from the Burlington Memorial hospital, where she underwent surgery Monday.

Mr. and Mrs. Don Herrick and Milton and Mrs. Vivian Rasmussen and daughter, Oak Park, spent Saturday with Mr. and Mrs. Harry McDougall.

Mr. and Mrs. Floyd Mennel and son Ronnie were Sunday dinner guests of Mr. and Mrs. Ervin Rasch. Mr. and Mrs. Kenneth Hoffman and children from Genoa City called on Mr. and Mrs. George Higgins Friday evening.

Grace Carey was in Milwaukee Monday.

Mr. and Mrs. Homer Clark, Richmond, were dinner guests Sunday of Mr. and Mrs. Fred Albrecht.

Mr. and Mrs. Herman Frank and children spent Sunday with Mrs. Bertha Harn, Spring Grove.

Eugene Jerde was chairman for a party given for the upper room of the Wilmot Graded school Friday evening. Games were played and refreshments served.

Mr. and Mrs. Walter Procknow and children of Des Plaines were guests Sunday of Mr. and Mrs. Walter Frank.

Mrs. Winsor Madden was hostess to the members of her two table card club at her home Wednesday evening.

Mr. and Mrs. Ray Bufton had as dinner guests Sunday Mrs. Viola Sherman, Mrs. Frank Burroughs, Mr. and Mrs. Frank Kruckman, Mr. and Mrs. David Kimball.

Mr. and Mrs. Gus Neumann had as dinner guests Sunday Mr. and Mrs. Mathew Thom, Bernard and Philip Thom, Brighton; Mr. and Mrs. Charles Whitcher and Doris Neumann, Barrington.

Mabel Johnson, Chicago, is spending two weeks with her mother, Mrs. Josephine Johnson. Sunday guests at the Johnson home were Mr. and Mrs. Tom Rush and Mrs. William Rush of Kenosha.

Catherine Schenning was home from North Lake with her sister, Mrs. Henry Easton, for the weekend. Connie and Charlotte Mizen of Truesdale are spending several weeks at the Easton home.

Investments in China
The total amount of prewar foreign investment in China in 1931 by U. S. was \$3,240,000,000, of which \$2,500,000,000 (three-fourths) was in direct business enterprises and \$710,000,000 (one-fourth) in government obligations.

Inoculation Profitable
Inoculation of soybean seed has increased yields per acre as much as 25 to 30 per cent, results of experiments at several Midwest experiment stations show. Protein content of the beans increased about 10 per cent while total protein yield per acre increased from 40 to 45 per cent at a cost of about 10 cents per acre for inoculation.

Fortress No. 10,000 Is
Delivered to U. S. Army
LOS ANGELES, CALIF. — "Ten Grand," the 10,000th Flying Fortress, has left the production line. In quick succession, the aircraft war production council announced, the army took delivery of No. 9,999 from Douglas Aircraft company in near-by Long Beach; No. 10,000 from Boeing in Seattle, and No. 10,001 from Lockheed in Burbank, Calif.

Fred Astaire Picks Up
Teeth Forgotten by Nazis
NEW YORK. — Dancer Fred Astaire sported several sets of false teeth recently. The teeth were his but he wasn't wearing them. They're his favorite trophy from a USO tour of front lines in France, Belgium, and Holland.

"The Germans were running away so fast they left everything," Astaire said in an interview. "They were in such a terrific hurry, they even forgot their teeth."

Inoculation Profitable
Inoculation of soybean seed has increased yields per acre as much as 25 to 30 per cent, results of experiments at several Midwest experiment stations show. Protein content of the beans increased about 10 per cent while total protein yield per acre increased from 40 to 45 per cent at a cost of about 10 cents per acre for inoculation.

THANKS!

We Sincerely Thank All who helped to make our dance Saturday evening in the Sheahan building such an unqualified success.

The Antioch fire department will give its first free dance at the Danish hall on Ida avenue.

After two fire equipments had frozen to the point of uselessness in the 20 below temperature while fighting flames in the store of John Nett in Wilmot early today, the Antioch Fire Department hastened to the scene and succeeded in checking the flames and saving the building from complete destruction.

Breath sniffing will be in order before weddings in Waukegan now.

A large crowd attended the installation of officers of Olson Camp, R. N. A. Officers are Alma Harden, Mabel Selter, Effie Nelson, Anna Kelly, Eva Barnstable, Nellie Hanke, Eleanor Edgar, Erma Hostetter, Kathryn Reinke, Theresa Wetzel, Sophia Hennings, Deborah Van Patten, Sine Laursen, Agnes Hills, Lois Van Patten, Sophia Mastne, Eva Burnette.

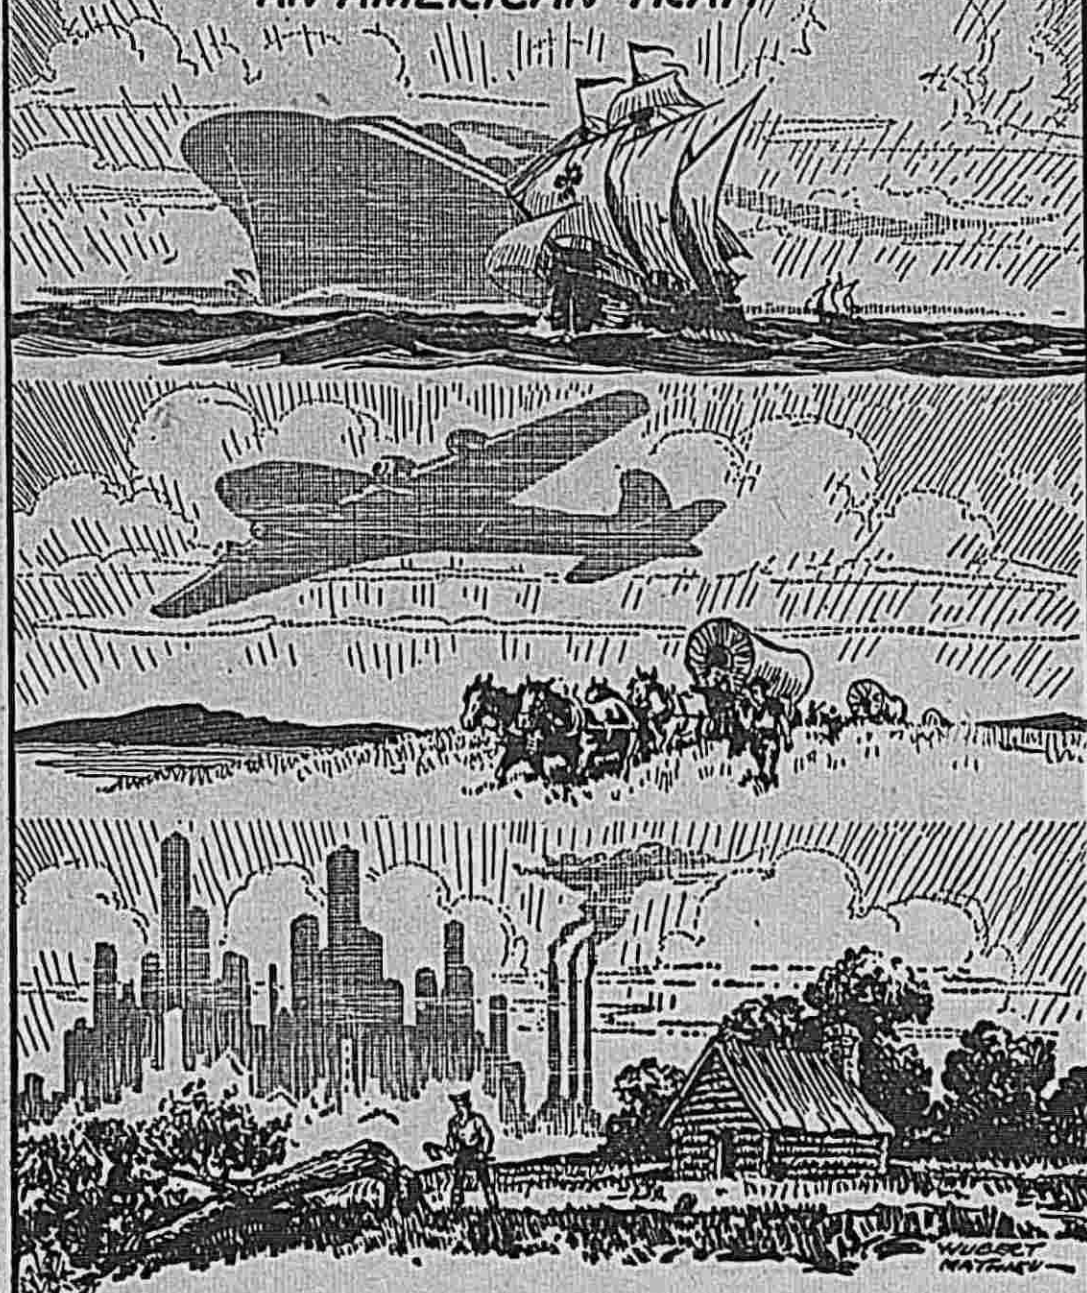

New Epoch

A new epoch in medicine began in 1935 when the "sulfa" drugs were introduced for treating a number of these serious diseases. This group of drugs has relatively simple chemical structure and to date over two thousand compounds of this group have been prepared in synthetic organic chemical laboratories in all parts of the world. Out of this large number less than 10 members have found their way into practical medical use in this country. The following are employed at the present time by doctors: sulfanilamide, sulfapyridine, sulfadiazine, sulfathiazole, sulfaguanidine, sulfasuxidine, sulfamerazine, sulfaphthazide.

Improper Use

One cannot emphasize too strongly that sulfa drugs are also dangerous if improperly used. Among the chief toxic reactions resulting from these drugs are the following: Minor: nausea, vomiting, dizziness, abdominal pains; moderate: Painful joints, mental disturbances, skin rashes; moderate and severe: destruction of the blood-forming elements and jaundice. Unless there is careful supervision when these drugs are administered they may actually prove fatal.

War Production Board Prohibits
Certain Uses of Electricity

As a means of conserving fuel on a nation-wide basis, the War Production Board has issued an order, dated January 15, 1945, which prohibits the use of electricity for the following purposes:

- "(1) Outdoor advertising and outdoor promotional lighting.
- "(2) Outdoor display lighting except where necessary for the conduct of the business of outdoor establishments.
- "(3) Outdoor decorative and outdoor ornamental lighting.
- "(4) Show window lighting except where necessary for interior illumination.
- "(5) Marquee lighting in excess of 60 watts for each marquee.
- "(6) White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.
- "(7) Outdoor sign lighting except for: (i) directional or identification signs required for fire and police protection, traffic control, transportation terminals or hospitals; or directional or identification signs for any similar essential public services the lighting of which is specifically certified to be necessary by local public authority. Certification shall be made in writing to the appropriate electric supplier and need not be in any particular form; (ii) Directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels, and other public lodging establishments."

As a supplier of electricity, the Public Service Company of Northern Illinois is required to bring this order to the attention of all its customers using electricity for these purposes.

This order of the War Production Board is by its terms mandatory, effective February 1, 1945, and places the responsibility for compliance upon the users of electricity. The War Production Board, however, urges voluntary compliance as soon as possible.

The order further requires that the Company notify any customer known by the Company to be in continued violation of the order after February 1. A copy of this notification must be sent to the District Office of the War Production Board.

The War Production Board asks full cooperation of all users affected. The order provides that wilful violation is subject to fine or imprisonment, and further provides that the Board upon determination of continued violation, may direct the suspension of service and prescribe the conditions under which service may be restored.

The Company will be glad to advise with its customers in meeting these regulations.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

SOCIETY EVENTS

St. Ignatius' to Hold Its Patronal Festival Jan. 21

Pot Luck Supper At 6:30, O'Clock And Vespers To Be Highlights

The festival of St. Ignatius, patron saint of the Episcopal church here and a second century bishop of ancient, biblical Antioch, will be celebrated with a parish pot luck supper Wednesday evening, Jan. 31, at 6:30 o'clock in St. Ignatius' Guild hall, and with Vespers service at 8 o'clock in the church.

The Rev. Thomas K. Rogers, rector of St. Lawrence's church, Libertyville, is to preach the sermon at the Vespers service.

St. Ignatius, it is explained by the Rev. A. D. McKay, rector of the local parish, was the author of seven epistles, which are included in the works of the Apostolic fathers. He was martyred at Rome by the command of the Emperor Trajan in 107 A. D.

Plans for the dinner were made at a meeting of St. Ignatius' guild Wednesday afternoon in the home of Mrs. Fred Hawkins, with Mrs. Hawkins and Mrs. William Cooper of Channel Lake as the hostesses. Committee appointments are now being arranged under the charge of Mrs. Ida Osmond, president.

The event marks the twenty-third anniversary of the consecration of the church building, Feb. 1, 1922. The first two persons baptized in the church were Sgt. W. E. Brook, now stationed at Camp Fannin, Tex., and Hazel Hawkins Overton, whose husband, Pfc. W. J. Overton of the Marine corps, is stationed in the Pacific area.

Officiating at the consecration was the Rt. Rev. Sheldon M. Griswold, then suffragan Bishop of Chicago, in the presence of the Rev. Edward S. White, the present rector of the Church of the Redeemer; the Rev. Everett Carr, now rector of Emmanuel church, La Grange, and the late Rev. A. D. Kolbeck.

The parish will observe the thirty-second anniversary of its founding this summer.

PAST MATRONS HOLD ANNUAL DINNER PARTY

Members of the Past Matrons' club, Antioch Eastern Star chapter, held their annual fried chicken dinner party in the Colony House, Rock Lake, last Thursday evening at 6:30 o'clock, with 16 present.

During a business meeting held under the charge of Mrs. Jean Ferris, president, and Mrs. Esther Wilton, secretary-treasurer, Mrs. Selma Trieger was elected president for 1945 and Mrs. Deborah Van Patten, secretary-treasurer.

Bridge was played and the announcement was made that high score for the entire year was held by Mrs. Jean Ferris.

RAINBOW INSTALLATION IS ATTENDED BY 100

In a pretty ceremony held in the Masonic temple Monday evening with 100, including visitors from Chicago, Waukegan and North Chicago attending, Antioch Assembly No. 23, Order of the Rainbow for Girls, installed officers for 1945.

Dorothy Aronson acted as installing officer, with Charlotte Nash as installing marshal.

Louise Elms headed the roster of new officers who officially assumed their duties at this time.

Distinguished visitors present included Florence Pink, Chicago, grand advisor for the state of Illinois.

Refreshments were served in the dining room after the installation.

BARNES ORCHESTRA TO PLAY FOR PARTY TUESDAY

Bessie Barnes and her orchestra will play for the dancing which will be a feature of the party to be sponsored by the Channel Lake Community club Tuesday evening in the Channel Lake school. Cards and other games will be enjoyed and refreshments served.

SILVER ANNIVERSARY IS OBSERVED BY MR. AND MRS. O. S. KLASS

Mr. and Mrs. Otto S. Klass are observing their twenty-fifth wedding anniversary quietly today. On Sunday they were dinner guests of Mrs. Klass' sister, Mrs. Clara Shaw, Waukegan.

Greetings have been received from Mrs. W. H. Gifford, at the Gulf Stream hotel, Lake North, Fla.

BUSINESS WOMEN TO MEET MONDAY, FEB. 5

The residence of Herman Holbek will be the locale of a meeting to be held by the Antioch Business and Professional Women's club Monday evening, Feb. 5. This is the first meeting to be held by the club since Dec. 4, since meetings were suspended during the holidays.

C. K. Anderson is leaving Sunday for a stay at Melbourne, Fla.

MUSICAL PROGRAM FEATURES ROYAL NEIGHBOR EVENT

Musical selections and a reading by a group of young people added to the interest of a public installation held by Olson Camp No. 459 of the Royal Neighbors Tuesday evening in Guild hall with 70 attending.

Taking part in the entertainment program were Charlene Nelson, who gave a reading; Marilyn Ries, Roberta Anderson, Marjorie Haling, Mabel Lou Hunter, Barbara Horton, Jean Harden and Marlene Wertz, who gave musical numbers.

Mrs. Elsie Horton, orator, and her corps of officers were installed under the charge of Frieda Wertz, past orator.

In honor of the fiftieth anniversary of the Royal Neighbor organization, which is being observed this year, gold-covered batons were carried by the "Hunter twins," June and Jane, who were escorts.

The ceremony was followed with the serving of cake, coffee and punch in the dining room, where the tables were decorated with candles and flowers.

Out-of-town visitors present included Mrs. Olive Tweed of the Lake Villa camp.

Miss June Van Epps of Hollywood, Calif., is visiting at the home of Mrs.

Mrs. R. S. Winship. Miss Van Epps is a friend of Mrs. D. W. Parmelee, Mrs. Winship's daughter, of West Los Angeles.

Card Of Thanks

I wish to thank my friends for their thoughtfulness in sending me messages of cheer, and for other acts of kindness during my recent illness.

Mrs. Vernon Runyard

Seven tables were arranged at a card party sponsored by the Grade School Parent Teacher association Monday evening in the schoolhouse. A luncheon was served under the charge of a committee consisting of Mrs. Einar Petersen, Mrs. Merrill Cunningham and Miss Geraldine Giddings.

LEGION AUXILIARY TO MEET FRIDAY

Mrs. Anne Heath will be hostess to members of the Antioch American Legion auxiliary at a meeting Friday evening in her home.

THE ANTIOCH NEWS

HICKORY

Mr. and Mrs. Carl Herner and son Bobby from Green Bay road, Waukegan, spent Friday afternoon at the Wilbur Hunter home.

Pfe. Harold Wells spent the weekend at the home of Mr. and Mrs. Gordon Wells. He was a Sunday dinner guest at the home of Mr. and Mrs. Billy Armour, Wadsworth.

Sunday dinner guests at the Gordon Wells home were Spencer Wells and family from Burlington and Mr. and Mrs. Leonard Michelis and daughters from Chicago. Mr. and Mrs. Billy Armour and their daughter Edith and her husband were afternoon callers. In the evening the neighbors, the Curtiss Wells family, the Bert Doolittles and the Savages were invited there in honor of Harold Wells. He is visiting at the home of his sister in Chicago this week and will report back for duty Jan. 29.

Mr. and Mrs. Clarence Spiering left by plane Friday for a vacation in Mexico.

Mrs. Walter Madsen of Oregon writes that the Madsens' daughter Betty is a SK 2/c in the Waves and is stationed at Treasure Island near San Francisco.

Mrs. William Nielson returned home last Tuesday (Jan. 17) after spending several weeks visiting relatives in California and Colorado.

Mr. and Mrs. Al Protine and Miss Emily Bracken were guests at a birthday party in the home of Mr. and Mrs. Engwald Anderson, Waukegan, Sunday afternoon. The guest of honor was Mrs. Swanson's mother, Mrs. Ellen Protine.

Mr. and Mrs. Russell Bromfield of Lake Villa visited at the Chris Poulson home Sunday afternoon and evening.

MARY KAY MADSEN IS BRIDE OF NAVY MAN

Friends of the Walter Madsen family, formerly of the West Newport district and now residing near Portland, Ore., will be interested in word of the marriage of their daughter, Miss Mary Kay Madsen, to Dick Dayton York, Gunner's Mate third class, U. S. Navy, son of Mr. and Mrs. L. York of Clallam Bay, Wash.

The wedding, which took place in San Francisco Dec. 15, had been set for a later date, but was advanced, due to York's return from the south Pacific war zone ahead of the time when he was expected.

York, who had received a 28-day leave after participating in seven major combat engagements, reported for duty at his base at Mare Island. Mrs. York is at present making her home in Vallejo, Calif.

The Madsens made their home in the West Newport area until six years ago. The bride attended West Newport school and was active in the Millburn Sunday school.

Three years ago the family moved to Oregon. Prior to her marriage Mrs. York held a responsible position with the Greyhound bus company in Portland.

MILLBURN

Mrs. Anna Bauman spent a few days with her son, Dr. William Bauman at Barrington.

Mr. and Mrs. W. C. Upton and Carol Ruth attended the wedding of their nephew, Lieut. Fred Semrow and Miss Lorraine Wilson at the Congregational Church in Wauwatosa, Wisconsin at 4:30 P. M. on Saturday afternoon. They also attended a dinner and reception Saturday evening in honor of the newlyweds.

Sgt. and Mrs. George DeYoung are the parents of a daughter, born on January 16th in Syracuse, New York. Sgt. DeYoung, son of Mr. and Mrs. Chris DeYoung, is stationed somewhere in the Pacific.

The Couples Club enjoyed an evening of games and stunts at the O. L. Hollenbeck home Friday evening with Mr. and Mrs. Don Holem as co-hostesses.

Millburn Unit of Home Bureau met at the home of Mrs. James Cunningham Friday afternoon, January 19th with fourteen members and three guests present. Mrs. Helen Volk gave the major lesson "Planning Economical Meals of High Nutritive Value" which was made very interesting by the use of a chart of the seven basic food groups; and later with planned cut-outs of food, the group planned appetizing meals for various needs, namely, the undernourished child, the average person, the man doing heavy work, the reducing diet, etc. Pamphlets of recipes for the use of dried peas and beans and of green and root vegetables in war-time meals, also a guide for computing the individual family needs per week were distributed. Guests were Mrs. Frank Edwards, Mrs. Frank Hauser and Mrs. Meyers.

The February meeting will be at the home of Mrs. Durr.

Mr. Mike Leable of Wadsworth spent Friday afternoon with his sister, Mrs. Anne Hoffman.

H. M. Clark and F. G. Edwards attended the annual meeting of the Lake-Cook Farm Supply Co. held at Lake Zurich Saturday.

Sharon Weber entertained 14 guests at her home Saturday afternoon in honor of her 8th birthday anniversary.

Mr. and Mrs. H. M. Herrick were honored at a pot-luck dinner in the Masonic hall Sunday noon by friends in the Eastern Star chapter and the Masonic lodge. Sixty were present. Mr. and Mrs. Herrick are leaving the neighborhood, where Mr. Herrick has been employed as manager of the Mitchell farm for fourteen years.

HEALTH HINTS for LIVESTOCK

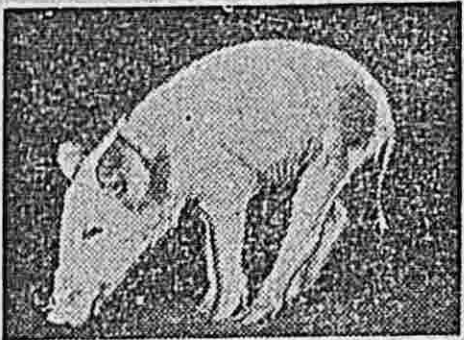

FEED SHORTAGES MAY BRING ON DISEASES

Because of feed and supplement shortages, swine producers are likely to encounter considerably more trouble this year, due to nutritional deficiency diseases.

The shortage of animal proteins means that hogs are going to require more minerals than usual to balance their rations. Abundant calcium is needed by swine, especially among breeding animals. If sufficient iron and copper are lacking in the ration, the result will be nutritional anemia. Iodine deficiency results in goitre and hairless pigs. A lameness similar to rickets is caused by manganese deficiency.

Lack of adequate vitamins in swine rations also brings on numerous diseases which interfere with production and profits. When hogs are fed on dry lot, and kept largely indoors, shortage of Vitamin D may bring on rickets. Dry lot swine are also susceptible to Vitamin A deficiency. Lack of this vitamin results in breeding irregularity, birth of dead pigs, and milk failure of the sow. It is especially important that sows be allowed to store up reserves of this vitamin before farrowing. Deficiency in Nicotinic acid is believed to be associated

with some types of enteritis. Epileptic fits and a type of anemia have been produced by shortage of Vitamin

An illustration of the effects of faulty nutrition.

B-6. If pantothenic acid is lacking, the hogs may develop a nerve condition that has serious results.

The "baby pig disease" which has appeared so frequently in recent years, is believed to be due to lowering of the blood sugar, due to failure of sows and pigs to receive adequate nourishment. Pigs affected by this disease can frequently be saved by injections of glucose. This year of all years, swine raisers need to check rations with special care, and to be on the alert for deficiency diseases which are likely to appear.

Obsolete English Laws

Are Dug Up for Repeal

LONDON.—England's obsolete laws are getting a dusting off as home office experts plow through the statute book to rid the land of unnecessary rulings. Here are some of the acts they found to be still illegal in the country:

To eat meat on Wednesdays. To eat mince pies at Christmas (such is said in the statute book to be "an idolatrous thing").

To exhort any of His Majesty's liege subjects to abstain from the consumption of alcoholic liquor.

To go to church otherwise than on foot. If you do, the local constable may confiscate the vehicle and sell it "for the indigent of the parish."

To swear profanely, even indoors. For a "gentleman" the fine is three shillings, four pence (67 cents); for those "above a gentleman," five shillings (\$1).

There are hosts of others—but Home Secretary Herbert Morrison promises that they will be abolished.

Complete Letter Guide:

Just Write About Love

WASHINGTON.—The navy agrees with the song writers—there's a sure hit in writing about love.

Telling men overseas how to become "successful" letter writers the bureau of personnel suggested writing about:

"Love. Friends, shipmates, relatives, including your mother-in-law, if you have one. Entertainment, recreation, sports, the movies.

"Love. Education, religion, art, music, books, hobbies.

"Love."

Science Award Won

By British Marshal

NEW YORK.—The Institute of Aeronautical Sciences announced that Air Marshal Sir Harold E. Whittingham, director general of medical services of the Royal Air Force, had been chosen to receive the John Jeffries award for 1944. The award is given annually for notable contributions to aeromedical research.

Jeep Scholarship

A United States jeep manufacturing company is offering 25 scholarships to Mexican engineers and mechanics for study of jeep manufacturing in the United States.

worship service, and will add much to the service.

Mrs. Albert Kapple was a Chicago visitor last Thursday.

Mrs. Maude Test, who has been with her daughter, Mrs. John De Vries, at the parsonage for the past three weeks, returned this week to her home in Mitchell, S. Dak.

Mrs. Paul Avery, Sr., who has been a patient at St. Therese hospital since New Year's Day, was able to return to her home Tuesday and is convalescing.

Mr. and Mrs. Gordon Blumenschein and children of South Bend, Ind., visited their parents, Mr. and Mrs. Waller Schneider and the Clarence Blumenscheins from Thursday last week till Monday.

Mrs. Harry Brownlee was guest of honor at a surprise party at the home of her sister, Mrs. Grace Englund, last Wednesday evening. Mrs. Herman Wolff was co-hostess.

The Pinochle club meet Tuesday for a pot luck dinner with Mrs. Madsen at her home on Cedar ave. and after the dinner, the ladies enjoyed an afternoon of cards.

John Meyer, Jr., left Tuesday to take up duties under civil service in the Pacific area. He was accompanied by Max Wurzbach of Grub Hill neighborhood. The family enjoyed a turkey dinner last Sunday in his honor and his sister Dorothy Sharp, her husband and daughter of Burlington, Wis., came down for the occasion and stay-

ed for a few days. Johnny is nearly 20 years old and his friend Max is 21. Mr. Herman Ducommun spent Saturday night and Sunday on a business trip at Ladysmith, Wis.

Mrs. Lulu Nelson is spending the week with her daughter, Mrs. Carl Ekdahl, at her home in Monaville.

Nerve Sections

University of Chicago scientists have learned how to preserve nerve sections by freezing them instantly in liquid nitrogen, removing moisture in a below-zero vacuum, and sealing in sterile containers. They then put them in a special salt solution and they're ready for grafting.

"March of Dimes" Drive Conducted

Collection Boxes Are Placed About Village; Movies Shown at Theatres

Antioch's "March of the Dimes" campaign for the National Foundation for Infantile Paralysis is well underway this week, Roy I. Kufalk, local chairman, reports.

"March of Dimes" receptacles were placed about the village Friday. Both Fred B. Swanson of the Antioch theater and William Lemke of the Lakes theater have given whole-hearted co-operation to the program by arranging to show motion picture "briefs" on their screens in support of the campaign, Kufalk states.

The sum of more than \$350 was raised in Antioch during last year's "March of Dimes" campaign.

Nearby Towns Hit While Antioch has been fortunate in not having any infantile paralysis cases during the past year, other communities, including Grayslake, Wadsworth, Zion, Round Lake and Prairie View, have had cases which were aided through the National foundation.

An Antioch case aided through the foundation during the previous year is now well on the road toward recovery.

Early Rubber

Indians of the Amazon regions knew about the substance that came to be called rubber, and had used it for centuries before European conquerors set foot on the land. From cuts made in certain trees, the natives learned, dripped a milky fluid that would harden when exposed to sunlight or to the smoke of their fires. By pouring the fluid over molds they contrived to shape crude jars and shoes. They discovered that articles of clothing coated with the milky mass were waterproof, that balls made of it would bounce.

Watch Hay

Don't lose the value of your hay by late cutting, improper curing, excessive handling or poor storage.

at New Bern, N. C., while Cpl. Brixen is stationed at Oak Grove with the Marine corps air force. Mrs. Brixen before her marriage was Miss Sarah McBride, daughter of Mr. and Mrs. Claude McBride, Millburn. Cpl. Brixen is the son of Mr. and Mrs. E. J. Brixen, Spafford street.

Mrs. George Peterson, Channel Lake, has just received word of the arrival in this country of her cousin, Pvt. Robert Willett, who has been serving overseas in the South Pacific area, including New Guinea.

Cpl. Morris P. Verkest, Camp Swift, Tex., sends greetings. Mrs. Verkest and their son, Donald Morris, who was born in St. Therese hospital Dec. 13, are making their home here. Cpl. Verkest had an opportunity to see his little son at Christmas time, when he was home for five days.

ANTIOCH, LAKE VILLA MEN ENTER SERVICE

Recent entrants in the armed service, as reported by Lake County Selective Service Board No. 3, include Richard James Stroner, Antioch; Jack Joseph Hammersmith, George Wellington Gratz, Lake Villa; Phillip Charles Ellis, Bassett, Wis.

Changes of addresses: Lt. Robert H. Pedersen, to APO 140, New York.

A/C Wayne B. Drom, to San Antonio, Tex.

Cpl. Thomas U. Crawford, APO 444, New York.

Capt Robert A. Brogan, APO 13275, New York.

Cpl. Louis L. Oetting, Camp Stewart, Ga.

Pfc. Harry A. Stoxen, APO 18059, New York.

T/5 Felix Elfering, APO 360, New York.

Sgt. Stanley Oien, Camp Gordon, Ga.

John Meyers, Jr., and Max Wurzbach, Lake Villa, have entered the service of the government in a civilian capacity and are leaving this week for assignment to service overseas.

Clarence Dressel, who arrived home Jan. 13 for a visit after 10 months' service overseas in the merchant marine, has been in the marine hospital in Chicago for a check-up. He entered the merchant marine a year ago last November, and has spent considerable time since then in the south west Pacific area.

CPO Harvey A. Cunningham arrived in Antioch Monday morning after service overseas with a Naval Construction battalion in the south west Pacific area, including Leyte.

Lt. Robert H. Pedersen reports—"I've finally got to France and my squadron, and thought I'd drop you a line to give you my permanent address. Things are pretty good here—all but the mud, of which we have plenty. Thanks again for your trouble and hope I get the paper soon, because I sure miss it."

Fort Benning, Ga.—Pvt. Lyle C. Segar, son of Carl Segar, Twenty-second street and Green Bay road, Waukegan, has won the right to wear the "boots and wings" of the United States Army Paratroops. He has completed four weeks of jump training during which time he made five jumps, the last a tactical jump at night involving a combat problem on landing.

Many new uses for helium have been developed in recent years and it is expected to play an important role in the nation's peacetime economy. Its use in the treatment of asthma, tuberculosis and other respiratory diseases, in eliminating or reducing caisson disease, in the operating room as a part of non-inflammable anesthetics and in welding magnesium metal are generally known. Many other potential uses are being studied.

The Observer

(continued from page 1)

Somewhere in the South Pacific area, a GI got a ten-day pass which he was supposed to spend in Australia.

He was one day late in returning, took a terrific bawling out from the commanding officer. When an explanation was demanded, he said, "Sorry, sir, I woulda made it, only we were held up one day in Chicago on accounta bad weather."

A man of no little faith, he'd planned a tight schedule. He hitchhiked to New Haven, Conn., on unidentified aircraft, spent a couple of days with his wife and would have been on time if Chicago weather hadn't been uncooperative.

P. S.—He was fined \$1.

—Mid-Pacific (Hawaii).

A city girl was persuaded to take a job in a country feed store. She had been warned the farmers thereabouts were great joshers and she was determined not to be taken in by them. The first morning a farmer came in and asked for some shorts for his pigs. The girl sweetly replied, "I'm sorry but we are out of shorts. How about some brassiers for your cows?"

—Dairy Farmers' Digest.

A young Brooklyn soldier was on maneuvers in Oregon. Having a few minutes to himself after evening chow, he strolled out into the woods and soon came back with a handful of rattlesnake rattles.

"Where in the world did you get them?" gasped his alarmed companion.

"Off'n a wom," replied the lad from Brooklyn.

—Dairy Farmers' Digest.

TWISTERS

New telephone operators, of whom there are many thousands working to carry present traffic loads in war areas, sometimes have difficulty with the names of unfamiliar places. Pensacola becomes Pepsi-Cola, Cedar Rapids turns into Peter Rabbit, Tucson easily changes to Too Soon. And what Easterner would be expected to know that San Jose is pronounced Sanazay, or that La Jolla is Lehoya. They provide fun—and some difficulties—for the accounting girls who make out the bills.

—Telephone War Digest.

Who Isn't?

Over a desk in an OPA office in Washington is a poster: "Shhh! The Enemy Is Listening." Under it some wag scribbled: "And is he confused!"

—Odebolt (Iowa) Chronicle

No Reason To Pine

A man was sitting beside the deathbed of his partner. The partner knew he was doomed and said, with a sigh of repentance:

"I've got a confession to make,

partner. I robbed the firm of \$50,000, and sold the blueprints of the secret formula for \$250,000. I stole the letters from your desk that got your wife a divorce, and I'm—"

"Oh don't worry, old chap—I poisoned you." —Public Service Magazine.

oOo

There is entirely too much worrying about unhappy marriages. Nearly all marriages are happy. It's living together afterward that causes all the trouble.—Kingman, Kan., Journal.

Largest City

Capital and largest city of Eire is Dublin, reported to have 482,000 residents in 1939. Well below 100,000 stood the ports of Cork, Limerick, and Waterford in order listed.

CONSEQUENCES OF IMPROPER BATTERY CONNECTIONS:
 It is not generally realized that the largest percentage of electrical failures of the regulator, points, condenser, generator, battery spark coil and light bulbs are caused by conditions existing at the battery terminals. Any resistance at the battery terminals will cause light bulb failure, rapid burning of points, and weakening of the spark coil, last but not least it will result in high voltage that will burn out the generator and regulator. — Be considerate of this vital source of power and look it over now, not for our benefit, but for your own protection against failures.
